IP Vandal Resistant Video Intercom Station w/ CP CAM Camera

CP CAM Camera

Video Intercom

Door Intercom

DESCRIPTION

- Robust housing with Aluminium frontplate
- IP65 protection to front
- PoE Powered from one IP network cable
- AlphaCom Substation with all CCoIP features
- Relay output for remote control, e.g. doors, signal lamps and gates
- Button with bi-colour LED ring

The Vingtor-Stentofon Vandal Resistant IP Video Station is tough, durable and resilient, and designed for use in the harshest of environments. The station is typically used as a communication, information or emergency point and connects directly to the IP network making it easy to deploy – anywhere and at any distance.

Designed for CCoIP® the station offers a set of critical communication features such as integrated firewall, group call, call priority and over-ride, to name just a few. This enables you to deliver instant, efficient and secure voice, video and data services in an IP environment.
